Why Exhibit at MTMP?

At MTMP, our partnership with exhibitors begins well before you arrive in Vegas and continues long after the conference ends. Beyond premier visibility in the Exhibit Hall, exhibitors receive exclusive pre- and post-conference marketing, attendee lists for extended follow-up, unique on-site advertising, and a dedicated website page featuring your company for up to three months afterward.

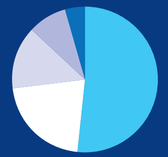

MTMP is more than a conference—it's a high-impact experience with nonstop networking, five education tracks, **1,200+ attendees**, multiple receptions and events that maximize your exposure and connection to the mass tort community.

Our partnership extends beyond the hall—ensuring your brand stays top of mind long after MTMP concludes.
